Winter, 2003

Dear Neighbor:

The 2003 legislative session has begun, which means the legislature will be working over the next few months to fulfill our constitutional duty of preparing a biennial budget. This will be no small task, as over 40 states have reported revenue collections below forecasted levels, and Indiana is no exception.

Nevertheless, I hope we can provide reasonable solutions to our budget problems, and my goal is that those solutions will allow Indiana residents an opportunity to improve our collective quality of life in this increasingly challenging time.

This year I was appointed to three committees: Local Government; Technology, Research and Development; and Ways and Means. I am pleased to be able to serve in these diverse areas, and look forward to shaping ideas for economic development opportunities for Gibson, Knox, Daviess and Pike Counties.

As always, thank you for the opportunity to represent the 64th district, and please let me know if there is anything that I can do for you or your family.

Sincerely,
